Dear Mr. McDermott,

The Environmental Protection Agency, Region III (EPA), has received your letter dated September 30, 2011, in which you, on behalf of E.I. du Pont de Nemours and Company (DuPont), requested an extension of time in which to respond to EPA's request for information dated September 22, 2011.

In order to facilitate DuPont's complete and thorough response and preclude any additional requests for extension, EPA finds DuPont's request acceptable. Accordingly, DuPont's response to EPA's request for information will be due to EPA by close of business November 7, 2011. To the extent possible, we encourage DuPont to provide any information it can prior to November 7, 2011.

We look forward to receiving the information. If you have any technical questions concerning this matter, please contact Magda Rodriguez-Hunt at (215) 814-2128. If you have any legal questions concerning this matter, please contact the attorney assigned to this matter, Janet E. Sharke, at 215-814-2689.
